A Message From Neighborhood Association President:

MAY 14 & 15

Please mark your calendar for our **Annual Woodlawn Garage Sale**, scheduled for the weekend of **May 14 & 15**. Last year was one of our largest events ever with nearly 200 homes participating! Permits can be purchased at the **Sunoco Gas/Food Mart on 2501 Albany Street** or at **Grasso's Barber Shop on 2506 Albany Street**. The cost of the permit is **\$10.00**. Remember, you must have a permit issued by the Woodlawn Neighborhood Association in order to participate in this very popular event.

**Reminder to vote for the
School Budget & Board of Education
members
Tuesday, May 17
Polls are open from 12 noon - 9 PM**

Congratulations to our local High School and College graduates from the Woodlawn community. For our sons, daughters, nieces, nephews and grandchildren best wishes and success as you move forward!

In celebration of June as National Homeownership Month, the **City of Schenectady** will host its annual
**HOMES Fair on Sunday, June 26 from
10 AM—2 PM.**

The fair will feature important services and opportunities to prospective homebuyers throughout our community and will run concurrent with the Sunday Green Market just outside the doors of City Hall. Talk with lenders, home inspectors, realtors and more. Onsite pre-qualification for mortgage financing! Contractor booth for home repair questions. For more information call Matt Smith at (518) 382-5199 ext. 5393.

Reminder, our association meetings are now on the **fourth Wednesday of each month** starting at **7 PM**. At our "new" location—**Ancient Order of Hibernians Hall, 1748 State Street**.

If you have any questions or concerns, please feel free to contact me at home, 377-8810. I will make every attempt to return your call as soon as possible.

The Golden Ear—By John Rose

This Is A Gossip Column

Garage sale permits are now on sale and can be purchased at the Sunoco Station at 2505 Albany Street. They're open 24 hours a day/7 days a week. Also, you may purchase them at Grasso's Barber Shop, 2506 Albany Street and they're open mornings from 7:30 – 12:00pm. Everyone having a garage sale must have a permit. The cost is \$10.00, and you must display it on the front of your house during the garage sale. There'll be people checking to make sure you have your permit. If you do not have one, the price will be \$20.00.

The Woodlawn Preserve received a \$50,000 check from Assemblyman Steck to improve the preserve and to make it exciting for people who go there, whether you bird watch, fish or hike. Also, Woodlawn Park has received two checks, one for \$10,000 from the Wright Foundations and \$15,000 from an anonymous donor who grew up in Woodlawn and played in Woodlawn Park as a kid. The money will be used to resurface the basketball court, put up a new fence along the court and to establish exercise equipment for kids, adolescents and seniors. Thank you to the people who believe in Woodlawn.

Also, Woodlawn businesses have purchased twenty-nine banners that will be installed along State Street from Fehr Avenue to Balltown Road. The price for a banner is \$200 and you can advertise your business. They will be up for approximately 5 years. This comes to \$40/year to advertise your business along State Street. For more information, call Lou Grasso at 346-6775.

Rumor also has it that the Schenectady County Officials are looking at purchasing the old IHOP Restaurant on State Street to potentially move the Schenectady County DMV to Woodlawn. Super great idea! Way to go county officials!

Also, rumor has it that Blue Ribbon Restaurant is buying Maurice's Restaurant on upper State Street and will convert it to a full-time bakery. The stuff they produce is great and their cheesecakes are to die for! They have won many awards in the area for their cheesecake.

That's it for now folks, and I'll be listening.

WOODLAWN – The West Side Story

By Marcel

Once again, greetings from Woodlawn West. Some time back, late 2014, I wrote about the formation of the Rotterdam Neighborhood Watch program. At that time, the Rotterdam residents were in an uproar over what they felt to be an increase in crime. Their first meeting drew well over 100 concerned and vocal people. My interest was whether such a program was warranted in Woodlawn and whether it would be sustainable. Since well over a year has passed, I inquired as to the program's success. As such, I spoke with Fred Lee, President of Schenectady Neighborhood Association - the umbrella group for all of the Schenectady neighborhood watch programs. Fred was careful with his response and so the answer is difficult to gauge.

The program continues to exist. Fred indicated that there are over 3,000 members of the Rotterdam Watch FaceBook page. However, the number of active watch people is less than he would like. This is what I suspected might happen when a majority of folks have an initial fervor with interest that wanes over time. Fred went on to extol the virtues of the neighborhood watch program.

Some people believe that Neighborhood watch consists of people armed with baseball bats patrolling their neighborhoods. Fred indicated that the Neighborhood Watch program teaches basic skills, including the avoidance of confrontation, which enables folks to report suspicious activity in the hopes of preventing crime. One of the basic skill sets taught is that of the Window Watcher - people observing without leaving their home.

For additional information, there is a Schenectady Neighborhood Watch/ Schenectady Police meeting the first Tuesday of each month at City Hall in room 209 starting at 7pm.

Ocean Plastics Pollution Problems
(excerpts from a paper by Graham Kilpatrick, a Union College student intern for ECOS)

“Every day we use many different types of plastics for various tasks. Most of the plastics we use are disposable and intended for one use only. When we recycle these disposable plastics, we make a small but meaningful difference in the battle against ocean pollution.

Most ocean plastic pollution originates from land. Whether plastic debris is blown by winds or dumped off barges, around 80 percent of it comes from land.

The best way we can make a difference is by trying to ensure that the plastic does not reach the sea. Once plastic reaches the sea it can take anywhere from 500-1,000 years for plastic to degrade.

Individuals can make a difference by altering basic routines.

People from New York State who are land-locked may relate less to the ocean plastics pollution issue. But studies have shown that plastic pollution in the Great Lakes may be just as bad if not worse than ocean pollutions. Samples collected from Lake Erie showed that the waters contained large amounts of plastic particles. 85% of these particles were smaller than two-tenths of an inch, and much of that was microscopic.

If ingested, the tiny plastic particles can cause harm to both fish and birds. Research is in the early stages of determining whether or not fish could pass on substances to human consumers. Meanwhile, spreading the word about plastic recycling and increasing individual recycling efforts are great ways to reduce the impact from ocean and lake plastic pollution.”

Happy Spring, Woodlawn!

Roberta Farrell, for ECOS: The Environmental Clearinghouse

Woodlawn Preserve

Every two months that we report here, it seems we make progress. These last two months were the most progressive leaps of all! Here is the headline in a recent press release:

Assemblymember Steck secures \$50,000 for Woodlawn Preserve in Schenectady!

Phil Steck announced that he secured \$50,000 for the support of the **Woodlawn Preserve** portion of the Pine Bush habitat that the city of Schenectady owns. The funds, which are part of a larger State investment into the **Albany Pine Bush Preserve**, will help protect natural resources and connect Capital Region residents with the area's unique environmental surroundings.

The **Woodlawn Preserve** and the **Pine Bush Preserve** are adjoining parts of this invaluable and unique habitat. Assemblyman Steck encouraged the development of a cooperative agreement between the city, the APBPC, and the Friends of the Woodlawn Preserve, recognizing that the future of the Woodlawn preserve would be enhanced by its affiliation with the Pine Bush, and has now secured the funds necessary to begin fully implementing the cooperative agreement.

"I want to begin by extending our thanks not only to **Phil Steck** for appropriating the money for the protection of the Woodlawn Preserve, but also to **Gary McCarthy** for realizing the need and facilitating the path to our goals" said Janet Chen, Chair of Friends of the Woodlawn Preserve. "This long neglected parcel in the city of Schenectady is in dire need of attention, as it has never been professionally managed. Our goal is to have this pine barren fragment restored and open to the public for passive recreational and educational opportunities. We deeply appreciate the perseverance that Assemblyman Steck and Mayor McCarthy have demonstrated over the past few years in helping us to achieve this goal."

Our spring events schedule starts with Spring Clean Up Day on **May 7th from 10am until 4 pm**, in conjunction with the **I Love Schenectady Parks Day**. General clean up, trail maintenance, nature hikes, pizza and soft drinks are all on the agenda. We hope to see many Friends and neighbors join us in the effort to keep the Preserve a pristine nature sanctuary. Also join us on **May 14th** at the **Albany Pine Bush Lupine Fest**, as well as the **Woodlawn Neighborhood Garage Sale** on **May 14th – 15th**.

As always, if you see or hear anything unusual going on in the Preserve call the Schenectady Police non-emergency number at 630-0911. You can also email your non-emergency questions or concerns to Officer Tim Higgins (he patrols the Woodlawn neighborhood from 4 – 11) at thiggins@schenectadypd.com. The DEC can be reached at 1-877-457-5680 or call directly to our Region #4 reps Chris Valenty and Brian Wilson at 357-2047.

HOUSEHOLD HINTS & HANDY TIPS

Creative Solutions for some household conundrums...

Handy Hint #1 - "Cleaning those pesky vertical blinds"
Tongs anyone? Wrap each side with an old sock and fasten with rubber band. Voila! Happy dusting.

Handy Hint #2 - "For the life of bananas!"
Bananas always seem to brown too fast. The solution? Wrap the stems with some cling wrap. See if it's worth the try!

Handy Hint #3 - "Kid friendly sink"
Kids can't reach the sink? Help them get a leg up on it. Simply cut up an old soap bottle, attach it to the nozzle and presto! A clean flow of water for your munchkins!

Woodlawn Park

Annual Garage Sale Extravaganza ~ Volunteer Days ~ Major Funding Secured

With spring now in full effect, it's been a great sight to see many more families bringing in their little ones to visit the park and take advantage of the new playground. The park has seen a great deal of use in the new toddler and kid playing areas unlike anytime prior. It's been a great boom to the park's presence in our community!

As we move forward, we will be working hard to continue the park's renaissance. It is with great pleasure to announce that our committee has **secured two grants of \$10,000 each and a private donation of \$15,000** from a former Woodlawn Park neighborhood child of the 60's who wishes to remain anonymous. The grants have been secured through **The Carlilian Foundation and The Wright Foundation**. **Thank you to these organizations!** We'd also like to thank Janet Given for allowing our committee to use The Friend's of the Woodlawn Preserve's 510c3 status to act as our fiscal agent to secure the grants. These monies, along with our fundraised monies, will finance our latest major redevelopment coming to the park - namely the repaving of the basketball court, replacement of the existing fencing along that area w/ the addition of a privacy screen, the installation of wheelchair access ramps into the park's common area and the addition of new exercise stations to compliment the recreational offerings to our community. This work will be coming soon once the city completes its assessment and preparations.

Many thanks to those who came out to help at our annual Spring cleanup on April 30th! Volunteers raked, swept and cleared brush, as well as painted and stained picnic tables, benches and our new trash and recycling housing units. A big thank you to Steve Harris for building these units which will add a nice look to the park. Fun note: the units were constructed with reclaimed wood from the building's old girls' changing wing and stalls. **We'll also be working in the park on Saturday, May 7th while preparing for our annual garages sale. Please come out to volunteer as we continue sprucing up the park.**

Make sure to think of the park if you would like to **donate some household items** for our Annual Garage Sale to benefit the Park. **Our donation drop-off days will be at the park Friday and Saturday, May 6th (5:30-7:30 pm) & 7th (10 am - 2 pm).** **So be sure to think of us that weekend and, of course, stop by for the sale at the park on May 14th & 15th.** And **thank you to Mr. Mark's Tents** for donating a huge tent.. If you ever want to rent a tent at a great price, check out his business at: mrmarkstents.com.

We'd like to recognize one our own park volunteers and entrepreneur, Rennie Fountain. Rennie has been helping us with the park and preserve for many years and most recently was a vital player at our playground build day this past fall. In addition to helping our community, Rennie also provides professional tree cutting and trimming services. You can reach out to him if you would like to inquire about his services at (518) 951-8323.

Would you like to sign up for our Adopt-A-Park program or volunteer at one of our cleanup or event days? Email us at WoodlawnPark411@gmail.com.

Once again...thank you so much for your continued support,

Spero Zoulas - Chair of Woodlawn Park Redevelopment Committee
