

Many  
senior living  
residences  
stand alone.  
  
Kingsway  
stands out.

Unlike "stand alone" senior living residences that provide only one level of care, Kingsway Community offers a dedicated continuum of care—from beautiful independent living apartments to quality, skilled nursing care.

We provide comprehensive support for current and future needs all on one campus, so our residents can live active lives and look forward to the future with peace of mind.

Outstanding coordinated care, all on one campus: that's the Kingsway difference.

KINGSWAY MANOR ASSISTED LIVING

## Upcoming WNA Meetings & Community Garage Sale

**SAVE THE DATE**

Please mark your calendar for our **Annual Woodlawn Garage Sale**, scheduled for the weekend of **May 19 & 20**. Last year was one of our largest events ever with nearly 200 homes participating! Beginning **April 14**, permits can be purchased at the **Sunoco Gas/Food Mart on 2501 Albany Street** and at **Grasso's Barber Shop on 2506 Albany Street**. The cost of the permit is still only **\$10.00**. Remember, you must have a permit issued by the Woodlawn Neighborhood Association in order to participate in this very popular event.

We have invited **County Clerk, John Woodward** to speak at our **March 28** meeting to give us an insight of our "new" DMV building located on State St. (the old IHOP building). We also intend to have a **representative from the Schenectady City School District** at our **April 25** meeting to bring us up to date on the school budget and what impacts the State budget may or may not have on our children. An open question and answer session will take place.

The Schenectady City Council is now hosting "**Coffee with the Council**" at the **Schenectady Greenmarket**. Come and enjoy a cup of coffee and have an opportunity to talk with your elected officials. Learn about programs and opportunities offered throughout the city, and to meet invited department heads on a regular basis at the Greenmarket. Of course, it's also a great opportunity to support our local small businesses at the same time! The Council will be there on the **2nd Sunday of each month from 10 am to 1 pm, March 11 and April 8**.

Reminder, our association meetings are now on the **fourth Wednesday of each month** starting at **7 PM**, at the **Ancient Order of Hibernians Hall, 1748 State Street**. The **Schenectady Senior Center** is open every Tuesday/Thursday from **10 AM-2 PM**, also at the AOH. **Lunch served at noon, \$3.00 donation**.

If you have any questions or concerns, please feel free to contact me at home, 377-8810. I will make every attempt to return your call as soon as possible.

## The Golden Ear—By John Rose

*This Is A Gossip Column*

Blue Ribbon's new bakery, next door to the restaurant on State Street, will open sometime in February. All baked goods are baked at the old Friendly's on upper State Street. Watch for the opening at the retail store. Blue Ribbon means good food! Check it out!

Amelia's Italian Restaurant will be opening at the site of the old Ground Round on State Street, with authentic Italian food. This reporter visited the inside and talked to the owner, Randy Loren, former owner of La Dolce Vita of upper State Street.

He expects to be opening sometime in April and will have entertainment and great food. These are all of his mother's recipes. I am looking forward to dining there!

The DMV office on upper State Street has experienced a 30% increase in business since moving from downtown. They are still working out kinks, which comes with moving into a new location.

There is a new daycare opening at the corner of Albany Street and Selden Street. There's a sign on the Albany Street side of the building stating that it will be opening soon and includes their phone number.

The former Gaylord's Tap Room has closed and new people are looking to re-open it under a new name.

The Crosstown Plaza is now called The Crosstown Commons. The outside has been completely renovated. There is a new sign that was installed by A.J. Signs in Glenville. Graphics on the sign can be operated from a cell phone at the office of A.J. Signs.

St. Paul's Church will be opening a new afterschool daycare in September. It will be open to all, first come first served!

That's it for now folks, and I'll be listening.

John Rose

## WOODLAWN – The West Side Story

By Marcel

Previously, I mentioned that the Ellis Hospital cardiothoracic team had received the highest award (limited to ~10% of all institutions) from the Society of Thoracic Surgeons. Recently, I had a medical issue requiring open heart surgery. I narrowed my surgery locations to Mt. Sinai Hospital in New York City and Ellis Hospital in our hometown. I chose Ellis, primarily due to logistics as well as the aforementioned Ellis award.

Post-surgery, I am very happy with my decision. The Ellis team: surgeon, cardiologist, ICU nursing staff, and the rehab staff performed admirably. The surgeon, Dr Kyril Choumarov, has an excellent reputation and adeptly applied his skill set on my behalf. This operation has enabled me to recover my prior energy level. I share this with those of you facing a similar medical situation so as to not discount our small city hospital which favorably ranks alongside the larger medical institutions.

Till next time....

Welcome to the *Schenectady Social Connection!*

**MARCH:** It's hard to believe that this month we will be welcoming Spring! March is filled with informational presentations from *Sunnyview Rehabilitation Hospital* on "Drive Well Fitness & Safety For Seniors," Ellie Zehnder from the *Regional Food Bank* and **MVP** on "Total Recall". **MVP** is offering a fitness class at **no cost** called "**Chair Moves**" that emphasizes strengthening and stretching the upper and lower body through exercise. Book & Writing Clubs started this past month - if you are interested in joining either please see Janice Scanlon and Marilyn McKeon for questions or to let them know that you are interested in participating. We would like to also **celebrate birthdays** at the end of each month with a "Monthly Birthday Bash". If you are interested in sharing your birth date with us, please do so when you check in for the day. We would also like to know if you served as a Veteran - please provide your branch of service, rank and War or Conflict that you served in. There is a form provided for you to complete and return at the front desk. Thank you for your Service!! Wal-Mart Vision Services will be here this month, along with Kingsway Home Care for the monthly Blood Pressure Clinic. The Ancient Order of Hibernians provides healthy homemade meals each day we are open for \$3 starting at 12 noon. If you would like to take a meal home with you, there will be an additional charge for take-out, and meals are first come, first served. Take out meals may be ordered, once lunches have been served.

**APRIL:** As we welcome the warmer weather and showers associated with this month, please keep in mind that there may be roads on your way to the center that look like they have slight pooling; but could have a larger hidden problem lurking below. **MVP Health Care** fitness class with Stacie Hebert, called "**Chair Moves**", remains this month at **no charge** and emphasizes strengthening and stretching the upper and lower body through exercise. Presentations this month include: "CaptionCall" Phones and how to obtain one of these **free** phones for those with hearing impairments to provide the opportunity to have a conversation on the phone without incident; Fleming Physical Therapy presenting on "Arthritis & How to Feel Better"; and lastly, MVP Health Care presenting on "Sleep from A-Zzz" and maintaining overall good health. We would also like to continue to **celebrate birthdays** at the end of each month with a "Monthly Birthday Bash" and honor our Veterans - so please let us know if you are interested and provide your information at the center. Wal-Mart Vision Services and Kingsway Home Care will be back this month. The AOH will be charging an additional \$1 for take-out meals and they are on a first come first served basis, after lunch has been served.

Sincerely,

**SusanBeth Olsen, Program Manager**

Spring is finally (almost) here. Pretty soon we'll be hearing the spring peepers again, and hopefully seeing the first of the seasons butterflies. The Morning Cloak butterfly overwinters in the hidden spaces behind tree bark and is one of the earliest to emerge in early spring. I hope you are lucky enough to see one!

We're busy working on our spring and early summer event calendar. March may see a 5K run, sponsored by the YMCA and County of Schenectady. In April, we will have a hike led by the APBP: *Signs of Spring Hike at Woodlawn Preserve* on Saturday April 14, 2018, 11:00am-12:30pm. The calendar says it is spring, but what clues does nature give us that reveal the arrival of spring? Come and discover signs of spring at the Woodlawn Preserve. We will meet at the Woodlawn Preserve trailhead on Gifford Road and walk approximately 1.5 miles around the pond trail. Ages 6+. Free! In May we have another hike led by our Friends at the APBP: *Spring Migration Bird Walk at Woodlawn Preserve* on Saturday May 12, 2018 7:30am - 10:30am. Spring is here and that means the birds are coming back from their winter in the tropics. We will meet at the Woodlawn Preserve trailhead on Gifford Road and walk approximately 1.5 miles around the pond trail searching for spring migrants we see along the trails. Along the way, we will discuss some of the science research we conduct to help us monitor our feathered friends and how you can help! Please dress warmly. Binoculars will be provided. Ages 10+. Free!

We are also planning on another walk with the New York Forest Owners Association (NYFOA) which is always very informative, led by Jeff Kehoe, a Master Forester graduate of SUNY ESF in Syracuse. This will be held sometime in April or May.

SAVE THE DATE! June 23<sup>rd</sup> will be our 4<sup>th</sup> Annual Fishing Day! Prizes for biggest fish, free BBQ at noon, free bait and use of fishing rods if you don't have your own. This year we will also offer tours of the Woodlawn Preserve and tabling by local community groups. Watch our Facebook page (Friends of the Woodlawn Preserve) and the Woodlawn Neighborhood Association website for more details.

The survey has been completed and these are our new boundary signs. The area includes the Sanford Preserve, the Woodlawn Preserve and the area of preserve in the town of Rotterdam, known collectively as the Schenectady Pine Barrens Preserve. We will be looking for volunteers in the upcoming weeks to help us post the remainder of the signs.

And remember, if you see or hear of anything unusual going on in the Preserve call the Schenectady Police non-emergency number at 518-630-0911; or email non-emergency information or questions to **Patrolman Brad Carlton** at [bcarlton@schenectadypd.com](mailto:bcarlton@schenectadypd.com). The DEC can be reached at 1-877-457-5680 or call directly to our Region#4 reps Chris Valenti and Brian Wilson at 518-357-2047. Like many other single-use items, the 99 percent of straws that are plastic, used once, and discarded, are not *individually* heavy or voluminous. However, plastic straws used once and strewn across the nation's surface annually total in the hundreds of billions and weigh millions of pounds. These straws have clear and lasting negative impacts on ecosystems.

Recognition of the concerns have led to widespread campaigns to "Skip a Straw."

Even when discarded properly, single-use plastic straws are seldom (if ever) accepted for recycling because of their size, shape and resin content. Even less fortunately, many single-use plastic straws end up improperly discarded as

- a significant, visible, and lasting component of **litter** on land, sea, and other waterways
- a threat to wildlife in the environment (especially mistaken as food, like other small plastics)

What you can do:

- forego straws as frequently as possible (e.g. when ordering a drink, request "No straw, please")
- if you do need to use a straw, seek alternatives, preferably reusable (e.g. steel, glass or sturdy plastic), or next seek paper straws (biodegradable); finally, ensure that any single-use straws are disposed of properly.
- ask your favorite restaurants to provide straws to customers only when they are requested.

More information is provided here by the Northeast Recycling Council (NERC):

## Annual Spring Clean-Up & Garage Sale coming soon to the Park!

As we *Spring* ahead, the promise of more time in the sun to enjoy what the great outdoors has to offer brings a collective call to action. Children are back outdoors in the parks and on the playing fields; adults are sprucing up their yards and taking their exercise routines to the streets; and the sounds of birds and neighbors chattering fill the air to greet the warm season upon us.

With all the good vibes that Springtime brings, it's also a great time to give back to your community. Whether it's at the park, the preserve, attending neighborhood meetings, or helping out anywhere else in our city, giving back to community is a great way to share your talents and generosity for sustained pride in what's great about living in Schenectady!

With this in mind, please consider volunteering during our **Annual Spring Clean-Up Event at the Park on Saturday, April 21st beginning at 9 am**. We will be raking, clearing trigs and brush, setting out picnic tables and benches as well as other general tasks. Coffee, water, and treats will be provided and we have rakes, tools and gloves on hand. Pizza will be provided should we go past Noon. We hope you join us to begin our eighth year since adopting the park! ***We are also holding a Project Day at the park on Saturday, April 7th at 9 am if anyone would like to help with some small projects.***

With the Springtime season also comes the **Annual Garage Sale at the Park!** We are accepting donations of household items for the garage sale all year round, so please keep us in mind as you clear out your homes during spring cleaning season. And we will again hold our **Annual Garage Sale Donation Drop Days on Friday, May 11th (5:00 pm to 7:30 pm) and Saturday, May 12th (8 am to Noon)**. We thank you in advance for any donations you may be able to provide. This year's sales days will again coincide with the Woodlawn Community Garage Sale Event - ***Saturday, May 19th and Sunday, May 20th.***

Our committee has been busy preparing for the 2018 season at the park. We have identified projects needed, events to hold, and goals to meet. Keep your eyes open on our facebook page (WoodlawnParkSNY) for dates.

We are **actively looking to for people to help us with our Adopt-A-Park Initiative. Sign up for a month.** What does it entail? Just going to the park once or twice a week to pick up any litter, organizing the “Have-A-Ball” bins and making note of any maintenance needs. Each visit takes just 10-15 minutes and for ***kids who volunteer, there's Stewarts Gift Cards to earn!***

This time of year is also a great time to ***donate any of your extra basketballs, footballs, volleyballs, or other sporting items to replenish our “Have-A-Ball” bins.*** Contact us if you would like to donate or just stop by the park and feed the bins. We are always looking for new members to join our committee and volunteer efforts. Message us on our facebook page, email WoodlawnPark411@gmail.com or call 518-331-0929 to offer your support.

Once again...thank you so much for your continued support,  
Spero Zoulas - Chair of Woodlawn Park
